Step-by-Step instructions for transferring your license. Make sure you have an active connection to the internet.

Step 1: Remove your license

1. Locate your license manager on your **old computer**:

   o There are several ways to locate your License Manager. We recommend putting a shortcut to it on your desktop once you find it (Right click -> Create Shortcut). Do one of the following:

   - Open your Windows Start menu and **type** in License Manager. The Windows search function should be able to find it.

     - Navigate to one of the following installation folders depending on your version. **Your License Manager will be located in this folder towards the bottom**.

       - **Flexi 21:** C:\Program Files\SAi\SAi Production Suite 21
       - **Flexi 21 HP Edition:** C:\Program Files\SAi\Flexi HP Edition 21
       - **Flexi 19:** C:\Program Files (x86)\SAi\SAi Production Suite 19
       - **Flexi 19 HP Edition:** C:\Program Files (x86)\SAi\Flexi HP Edition 19
       - **Flexi Mutoh Edition:** C:\Program Files (x86)\Mutoh\FlexiPRINT&CUT Mutoh Edition

     - If you have a shortcut to Flexi on your desktop, **right click it** and then click **Open File Location.** You will need to go one folder up.

2. Click **Remove License From this Computer:**

Step 2: License your new computer

1. **Install** Flexi on your **new computer.** While installing, the License Manager will open.

   If Flexi is already installed, locate your license manager again by using the steps above.

2. Enter your **Activation code.** This is always found on your account at saicloud.com. On a success, license manager will now display your information. **Verify your expiration date is not in the past.** The format is DD-MM-YYYY.

Activation Code
Enter an Activation Code to get a license

When you purchase new software it comes with an Activation Code. Enter the Activation Code below.

Activation Code: [   ]

If you are having trouble getting the license directly, you can get a license from our website.
